1,348 square feet

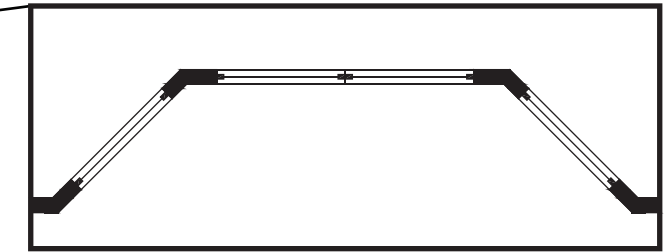

Plan Description

This open-concept plan provides a welcoming entrance into the family room with views through the Kitchen and Dining area to the back of the house and included covered patio. Encompassed within 1,348 square feet are 3 bedrooms with elegant master suite, large secondary bathroom and utility room. An extensive list of included features includes 9' ceilings, 42" upper cabinets in the kitchen, tile entry and much more. This plan is ideal for a new family looking for a starter home or couple looking to downsize and still have room for overnight guests.

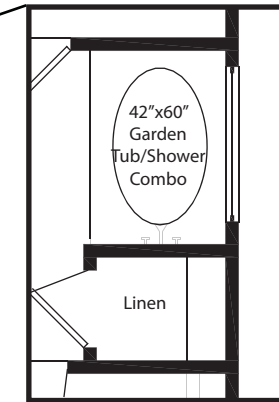

Like having a home builder in the family.
